Your Health Information at Your Fingertips

Patients of Humility of Mary Health Partners (HMHP) physicians are able to access their health information anywhere, anytime. With MyChart, you can keep up with your personal health information like never before.

View your medical information online

- Review your medications, immunizations and allergies.
- Receive test results online — no waiting for a phone call or letter.
- Review health education topics and discharge instructions provided by your physician.

Stay in touch with your physician

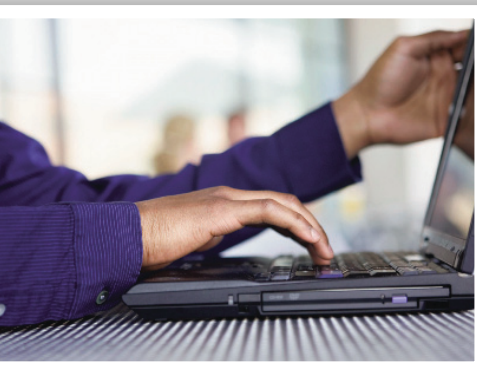

- Communicating with your physician is as simple as sending an e-mail— but even more secure.
- Request renewals of your medications online.

Manage your appointments

- Schedule your next appointment online.
- View details of your past and upcoming appointments.

Access your family's records

Link your family's accounts to yours for convenient access to appointments, immunization records, growth charts and more.

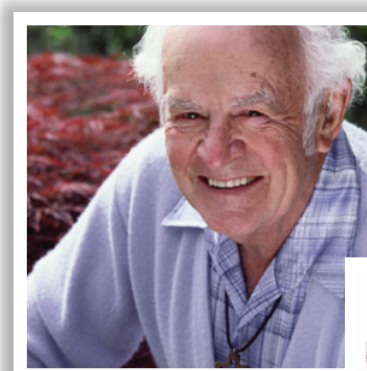

Security

Your information is safe from unauthorized access because MyChart is password protected and delivered via an encrypted connection.
