

You've still got a lot of living to do. So you want that best neurology and neurosurgery team in the region. At Humility of Mary Health Partners, we have the advanced technology and expertise to treat a wide range of conditions – from headaches to spinal cord injuries to strokes. Because we know there are still a lot of fish out there that still need to be reeled in.

# Diagnosis

Blood clot in the brain.

# Treatment

Surgical intervention and rehabilitation.

# Outcome

The art of baiting a hook, passed on  
to a new generation.

St. Elizabeth - St. Joseph - St. Elizabeth Boardman

Incredible care. Incredibly close.
