

At Humility of Mary Health Partners, we're leading the way in the treatment of neurological disorders. Our team of neurologists and neurosurgeons have the advanced technology and the expertise to treat a wide range of conditions, from headaches to spinal cord injuries to strokes. In fact, we've helped thousands of patients get the care they need. So they can get back to their lives, their hobbies, and yes, their prized tomatoes.

Diagnosis

Blood clot in the brain.

Treatment

Surgical intervention and rehabilitation.

Outcome

The plumpest batch of tomatoes
you've ever seen.

St. Elizabeth - St. Joseph - St. Elizabeth Boardman

Incredible care. Incredibly close.
